S. Comments:Shifted out approaching the 100m and bumped another runner. Rider questioned re tactics. He said he was told to lead if possible and after trying to take a sit when caught wide, he could not obtain a position with cover so he allowed the horse to stride forward. He said being its first run with blinkers back on, it raced a little keenly so he elected not to restrain it but allow it to stride along at a comfortable pace in the lead. He thought being caught wide early and having to do additional work may have had an effect on the gelding's finishing effort. Stewards noted his explanation.

S. Comments:Jockey L. Dittman was asked to comment on the reason for him leading in today's event. He indicated he had been instructed to settle just behind the pace if possible, however after the horse began well and after travelling a short distance it became apparent he would not be able to secure a position close to the fence and he allowed the horse to stride forward to the lead. These instructions were confirmed by stable representative Mr R. Zielke.

S. Comments:Apprentice L. Tarrant reported that the gelding was reluctant to settle in the middle stages and seemed more relaxed than normal pre-race. Stable representative R. Zielke indicated that after having had a jumpout during the week, the horse may have been left somewhat flat and she also added that the horse may not be entirely suited to racing over 1600m.
