Rdr said opted to shift wider and ask mount for an effort to improve into the race, considering mare tends to sharpen up with the blinkers added-said further, after asking for an effort, mare failed to travel and weakened from near the 600m and proved disappointing. A post-race vet exam revealed a poor recovery & heat stress.

When questioned whether there was an opportunity to race in a one-wide position near 900m, rather than positioning gelding on rail, Rdr advised felt would have had to pressure mount to hold his position and being mindful of having mount over race in a small field, felt was better served allowing gelding to travel comfortably-added for this reason, elected not to contest the position behind one off resulting in that position being taken by another runner.

S. Comments:Held up for a run approaching the 200m & passing the 100m, shifted out & went to the end of race without being tested. When questioned as to whether there was an opportunity to steady & come back to outside passing the 200m, Rdr stated had committed to the run to inside run & to take hold and shift out across heels, would have required checking mare. When asked as to whether could have ridden the gelding with any vigour passing the 75m when there was clear running, Rdr said gelding had lost all momentum after being held up & believed race was over at that point. Fined for not riding horse out.
