McMahon explained in today's track conditions he was content to remain racing one off the fence in the middle stages, being aware BILLY DA BOSS was to his outside, 3 wide without cover. He added when that horse steadied and shifted to the inside of his mount he was content there as he felt the track was inferior on the rail. He added when he attempted to improve approaching the 500m he was obliged to race wider than he would have liked however he did believe that the condition of the track out towards the middle was better than the section in which BILLY DA BOSS was racing on.
