S. Comments:Began awkwardly. Near 700m, momentarily raced in restricted room. Held up for clear run on entering h/straight until 200m. When quest re ride in home straight, Rdr advised early in h/straight had been following KETTLEBELL and had envisaged another runner would commence to weaken after being obliged to race three wide-said when this did not occur, then became awkwardly placed at heels-added had improved to the inside of heels & felt would have had to overly restrain mount to avoid that runner's heels in order to shift wider, therefore elected to shift in near 200m.
