McGillivray attempted to swap his whip over into his right hand and in doing so dropped the near-side rein near the 300m and was therefore not able to fully test his mount until approaching the 100m.

S. Comments:Inquiry re tactics adopted, which appeared in contrast to the mare's previous 2 starts. Rider advised she was instructed to position the mare where it was comfortable, adding at its previous start it raced towards the rear of the field from a wide alley. She added it was not her intention to lead today, however after beginning well from a wide barrier she allowed it to stride forward to take up the leading position rather than risk being caught wide in the early stages of the race. The explanation was noted.

Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. Was uanble to restrain, despite his efforts, to obtain cover during middle stages. refer full report.

Comments:Questioned re: tactics - rider stated instructed to take up a forward position however, when runner to his inside he was reluctant to press forward as he was concerned that his mount may commence to overrace. He therefore allowed the horse positioned wide of him to cross forward of him as his gelding was having its first start over 1800m. The gelding then failed to quicken when placed under pressure leaving the 600m and in his opinion raced flat. Post race vet exam failed to reveal any abnormalities. Stable representative stated that the gelding is better suited when able to lead.

Failed to muster speed sufficiently in early stages to lead from its wide barrier and as such raced wide throughout the middle stages. S. Comments:R Wilson questioned re tactics adopted as the horse led in today's event, which is in contrast to the horse's most recent racing pattern.He indicated that this was the horse's first start over more than a 1000m this preparation and as there was a lack of pace in the event and as the horse has had a tendency to be slow to begin at its most recent starts, he instructed S Elbeck to be aggressive in the early stages however, did not instruct her to lead. Mr Wilson was reprimanded and advised that in similar circumstances he would be expected to approach stewards with instructions of this nature.

S. Comments:Fractious in the barriers. A warning was placed on the gelding's barrier manners. When questioned as to the disappointing performance, jockey D. Missen advised that after beginning well he attempted to obtain a forward position as per its customary racing pattern, however the gelding failed to show the speed that he anticipated and consequently settled in a midfield position. He added that the gelding never travelled strongly on the bit throughout the event and proved disappointing in the home straight.
