Comments:Struck the rail en route to the barriers, was examined by the Club's veterinary surgeon at the barriers and cleared to take its place in the field. When questioned regarding his ride, rider stated that his mount was inclined to hang out throughout the event. He said that after straightening for home he was held up on heels and unable to improve, and consequently had to be shifted to the outside to obtain clear running.

S. Comments: When questioned as to the seemingly disappointing performance, jockey stated that the mare travelled well in the early and middle stages but when he asked the mare for an effort leaving the 300 metres she responded only fairly and proved disappointing. A post - race veterinary examination of the mare did not reveal any abnormalities. Trainer stated that the mare had had one start on this track before and a proved disappointing and believes that the mare does not handle this track.
