S. Comments: B. Stower explained that the intention was to lead in accordance with its usual pattern. She said from the wide draw she strode forward and became concerned when TRIPLE JEOPARDY, which was racing to her inside, was overtaking slightly, and it would not settle, allowing her to cross. She added she had to make more use of her horse to cross that runner near the 800m. Miss Stower stated in hindsight it would have been preferable not to have made as much use of LANDALE but with the specific instructions she felt she had little alternative but to ride it in the manner she did.

S. Comments: When questioned regarding the horse's seemingly improved performance, trainer K. Stewards noted his explanation.

S. Comments: Eased when tightened for room near the 800m. When questioned G. Colless stated that his mount was slow to begin and he rode it along with vigour in the early stages. He added that approaching the home turn he was unable to improve when held up however upon obtaining clear running at the entrance to the straight his mount failed to respond. M. Dunn stated it was the filly's first start for his stable and he had expected it would be very competitive. He advised he would add blinkers and remove the t/tie before stepping up in distance. Vet exam revealed a poor recovery rate.

S. Comments: Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

Comments: Jockey N Day reported that his intention was to take up a handy position, however, the filly failed to muster speed in the early stages which forced him to race further back in the field than anticipated. Jockey Day was of the view that the filly would be better suited when able to obtain cover closer to the speed over further ground than that of today's event.

When questioned, rider J. Lloyd stated after his mount made contact with another runner at the start, he was concerned that the horse may have injured itself and therefore did not pressure his mount for the remainder of the event. A post-race veterinary examination revealed no significant findings.
