He said he was told to lead if possible and after trying to take a sit when caught wide, he could not obtain a position with cover so he allowed the horse to stride forward. He said being its first run with blinkers back on, it raced a little keenly so he elected not to restrain it but allow it to stride along at a comfortable pace in the lead. He thought being caught wide early and having to do additional work may have had an effect on the gelding's finishing effort. Stewards noted his explanation.

S. Comments:Rider said after beginning well she crossed to the lead, however was mindful of instructions to try to obtain cover. She said that when AUDREE improved to her outside she was content to let that horse cross her, which would have afforded her cover. She said when she elected to do this she then became aware that SKYLAR'S STAR, which was racing 3 wide, improved forward, and having elected to allow AUDREE to cross, she was then placed further back than she wished when AUDREE allowed SKYLAR'S STAR to cross to the lead.
