S. Comments:Over raced during the early stages. When questioned as to the below market expectation performance of the mare App. A. Bakos advised that the mare over raced during the early and middle stages which in her opinion was a factor in it failing to run on in the home straight. She added that in her opinion stepping up in distance from 1194m last start, to the 1640m of todays event was also a contributing factor to the horses disappointing performance.

When questioned as to the below market expectation performance of the gelding App. D. Graham advised that in her opinion the gelding over racing during the early and middle stages was the major contributing factor in it failing to run on in the home straight particularly bearing in mind that is was stepping up in distance from 1000m last start, to the 1640m of todays event.
