Lucky Duck 54 1, LEN, 1-25.23 0

S. Comments:Bumped at the start. When questioned regarding her riding from approaching the home turn, apprentice R. Payne stated she raced in restricted room rounding the home turn and when a run became available near the 200m, her mount shifted out when attempting a run resulting in her having to straighten her mount before placing it under pressure. She added that while the gelding made up ground in the straight, it did race flat and failed to show its customary sprint at the finish.

| S. Comments:Inquiry re improved performance. Trainer advised at its most recent start at Dalby on 8 June he was disappointed in the manner in which it was ridden, and that at its previous start to that at Ipswich it was forced to race wide throughout and tired over the concluding stages. He further stated that tonight he added a tongue-tie to the gelding's gear, which he felt may have contributed to the improved performance. Stewards noted the explanation. |                        |                     |                            |

He said he began best and it became apparent early on to runners to his inside appeared intent on leading, so he elected to stride forward and cross to the lead despite his instructions. After doing this he endeavoured to steady the tempo however his saddle shifted forward and as he was reluctant to fight the gelding he felt obliged to let it run along at a moderate tempo in front.

S. Comments:Bumped at start. Inquiry re poor performance. Rider said she began well and obtained a forward position but was forced to work to cross in the early stages due to the fast tempo. She added it travelled reasonably early, but when pressured from the 450m, failed to respond and proved disappointing. She added on return to scale the horse appeared to be sore in near hind leg. A post race veterinary examination revealed lameness in the near hind leg. A veterinary clearance will be required prior to its next race start.

S. Comments: Crowded at the start. When questioned regarding the performance of the mare, apprenticed E. Ljung advised her mount failed to show sufficient speed to obtain a forward position and therefore settled in the second half of the field. She added that when the race quickened, her mount failed to sprint as she had anticipated, which she attributed to the horse rising significantly in weight from its most recent start.
