He added that upon return to scale he had observed his mount's tongue over the bit which he believed was the principal factor in his mount's poor tractability during the event. better footing approximately four horses away from the inside. He added that in his opinion Strawberry

Boy's run ended which he attributed to it missing a run at the Hawkesbury race meeting on Saturday 2

S. Comments: Questioned re performance - rider stated filly began better than expected and was obliged to race 3 wide. Reluctant to restrain to rear of field to obtain cover was was traveling comfortably in a wide midfield position. Quicken when asked to improve leaving 500m but peaked on its run over the concluding stages. Whilst filly was required to cover extra ground he thought 2nd up over 1400m may have explained the disappointing performance. Vet exam - no apparent abnormalities.
