S. Comments: Inquiry re tactics adopted, in particular the pace set in the early and middle stages of the race. Rider T. Harrison indicated that she had not intended leading but when caught wide in the early stages she pressed on to the lead. She added her mount overraced in the lead and raced even more keenly when EVERYBODY HAPPY improved to her outside near the 900m. She advised connections that, in her opinion, they would be best served backing the horse up quickly as the mare raced too keenly in today's event.

S. Comments: Bumped heavily by another runner in the early stages of the event on a number of occasions. Stewards questioned apprentice B. Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.

When afforded the opportunity to comment on the performance of the horse, rider T. Bell stated that after travelling 3 deep for the majority of the race the filly raced greenly, and after applying the whip near the 300m his mount shifted in abruptly and had to be steaded to avoid heels. He indicated after being slow to begin the horse travelled well enough in the middle stages and improved rounding the home turn. He added he was obliged to manoeuvre away from heels of a weakening horse near the 300m and had some difficulty securing clear running shortly thereafter. He again had difficulty obtaining clear running near the 100m and was pleased with the filly's overall performance. A swab sample was taken.

When questioned as to the disappointing performance, Jockey L Tarrant stated that the gelding did not travel comfortably at any stage of the race and in his opinion may have come to the end of its current preparation. A post-race veterinary examination failed to reveal any abnormalities at the time of examination. Trainer later advised that following extensive vet and blood tests which failed to reveal any abnormalities the gelding would be continue its current racing preparation.

She said after being slow to begin, she rode her gelding along in an effort to improve and near the 900m improved on to heels and had to be steaddied and lost ground. She added that the gelding commenced to hang out and continued to do so for the remainder of the event, which prevented her from riding with her usual vigour in the home straight. Vetted, no abnormalities. Must officially trial before racing again.
