Grylls the opportunity to comment on the horse's performance. She stated that after being tightened for room shortly after the start the filly settled further back than she anticipated. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. A post-race veterinary examination revealed no abnormalities.

Jockey J Taylor reported that it was his intention to take up a position closer to the speed, however, after being slow to begin he was then forced to race further back than anticipated. Jockey Taylor added that near the 1200m and again near the 500m he was hampered as a result of interference forward of him and that when afforded clear running in the home straight, the gelding finished the race off well.

Mr Birchley stated that after backing the gelding up quickly for that run, where it finished 12th, he had elected to space its runs to keep the gelding fresh, and this may have been the reason for the improved performance, along with it getting a soft run in front today.

S. Comments:Stewards questioned apprentice Fancourt regarding her riding of the gelding in today's event, which was not the horse's established racing pattern. She indicated that her instructions were to ride the gelding in a negative fashion in the early stages and attempt to have it settle back in the field, however her mount raced keenly and she allowed it to improve to the lead. She added that she attempted to restrain her mount however the horse continued to race keenly and she was satisfied that the gelding was travelling well in front. Stewards noted the explanation.
