Byrne stated that despite suffering interference at the start he had anticipated settling in a midfield position. He was of the view he was forced to cover too much ground rounding the home turn and that his mount finished the race off fairly over the concluding stages. He was of the view that the gelding would appreciate a step up in distance at its next start.

S. Comments: Rider questioned re disappointing performance. She said after being caught wide in the early stages she was forced to work up the hill to enable her mount to cross to a position closer to the rails, which she felt was to its detriment, however when placed under pressure over the concluding stages the gelding failed to run on and proved disappointing. Trainer said the horse has a history of racing poorly when unable to obtain cover in its races, which he felt was a major contributing factor to the performance. Vetted, no abnormalities.

At a subsequent inquiry stewards found that HORA SEXTA shifted in marginally making slight contact with TORBAY, which in turn shifted in and bumped UNION. After HORA SEXTA relieved the pressure TORBAY continued to lay in on top of UNION further crowding that runner. Stewards could not be satisfied that the actions of J. Byrne (HORA SEXTA) or C. Whiteley (TORBAY) were careless and as a result took no action.

S. Comments:When questioned as to the tactics adopted, App. A Hearn stated that at its last start the mare found the lead in a small field of its own accord without being pressured. App. Hearn added that it was not his intention to have the horse lead on that occasion as the mare's usual pattern of racing is to settle in the second half of the field. He stated that the same instructions were issued today which from a wide alley he was able to comply with resulting in the mare settling towards the rear of the field. S. Comments:Began awkwardly. Tightened for room shortly after the start when racing in restricted room and had to be checked. Stewards afforded apprentice B. Grylls the opportunity to comment on the horse's performance. She stated that after being tightened for room shortly after the start the filly settled further back than she anticipated. She added that the usual racing pattern of the filly is to lead and the horse races best when able to dictate out in front, however she was nonetheless disappointed with the filly's finishing effort. A post-race veterinary examination revealed no abnormalities.

S. Comments: Leaving 800m steaded when tightened for room. Rider questioned re why she lost ground in early stages, resulting in her racing at rear of the field. Explained that after beginning well she was forced to steady the mare when tightened for room leaving the 800m, at which point her mount dropped the bit losing more ground than expected. Rider added she then had to ride the mare along just to hold its position at the tail of the field however, finished the race off well. Rider conceded in hindsight should have been more vigorous in the early stages in an effort to hold a midfield position.

S. Comments:Began awkwardly and lost ground. When questioned regarding the improved performance, trainer J. Hanna advised that he had expected a forward showing from the mare tonight following its last start at Gatton where it made up considerable ground over the concluding stages. He added based on the finishing effort of RULING MISS last start over a shorter distance, he felt the mare would be better suited by the step up to 1300m in tonight's event.
