She advised that her instructions were to take an easy lead if possible however if it was not possible to take a sit behind the leaders and work home from the 600m. She added that she attempted to lead but at the turn out of the straight the horse was three wide and unable to cross and therefore she was forced to race outside the two leaders in a three horse field. She added added that the horse hung out slightly to place her in a four wide position during the event

 S. Comments:Questioned re: performance - rider stated gelding travelled well throughout however when placed under pressure upon straightening, weakened noticeably. Stated horse made an abnormal breathing noise which she felt contributed to the disappointing performance. Stable rep agreed with rider's comments and undertook to report back to stewards at a later date. Post race vet revealed a poor post race recovery rate.

S. Comments:When questioned regarding the performance of the gelding jockey P. Hammersley stated that his mount travelled strongly outside the leader in the early and middle stages however failed to sprint strongly rounding the home turn and weakened in its run to the line. P. Hammersley added that he is not convinced the gelding is able to run out a strong 1250m on rain affected going. A post race veterinary examination of the gelding did not reveal any abnormality.
