S. Comments: Raced with its head in the air near the 900m whilst being restrained. Following a complaint from trainer L. Paton, stewards opened an inquiry into jockey Geran's riding of the horse. Of particular concern to Ms Paton was jockey Geran's apparent failure to follow her instructions, which were to lead if possible or at the very least race in a forward position. After taking evidence from jockey Geran in relation to his riding, stewards adjourned the matter to a time and date to be fixed to enable stewards to obtain betting information on the event.

throughout the event and after the 200 metres shifted out abruptly. He added that upon return to scale he had observed his mount's tongue over the bit which he believed was the principal factor in his mount's poor tractability during the event. A post-race veterinary examination of the filly revealed no abnormalities. Trainer Mr B. Cavanagh advised that the filly would now be sent for a spell.

McMahon explained in today's track conditions he was content to remain racing one off the fence in the middle stages, being aware BILLY DA BOSS was to his outside, 3 wide without cover. He added when that horse steadied and shifted to the inside of his mount, he was content there as he felt the track was inferior on the rail. He added when he attempted to improve approaching the 500m he was obliged to race wider than he would have liked however he did believe that the condition of the track out towards the middle was better than the section in which BILLY DA BOSS was racing on.
