S. Comments:Raced in restricted room shortly after the start when tightened for room between runners. Finished at the rear of the field. A post-race veterinary examination revealed the gelding to be short-striding in the off foreleg. Trainer T. Gollan was advised that the horse will require a veterinary clearance prior to racing again. Stewards intend to follow up with Mr Gollan in ensuing days regarding the horse's post-race recovery.

S. Comments: When asked to comment on the disappointing performance, jockey Fancourt indicated that the horse raced quite greenly throughout the event, shifting both in and out when racing outside the lead. She was of the view that the disappointing performance could be attributed to the horse having its first start on a very rain affected track as the horse did not travel comfortably when asked for an effort after leaving the 600m. Expressed surprise at tactics adopted on SUILVEN given that at its two most recent starts it settled in a handy position with cover. Explanation noted.

S. Comments: A post race veterinary examination of the gelding, which weakened badly from the 600m and finished a distant last, revealed the gelding to be making an abnormal respiratory noise. Trainer M. Kropf was advised that the horse must undergo an endoscopic examination following a gallop, with the results to be forwarded to stewards, and that a veterinary clearance would also be required.

S. Comments: Momentarily held up approaching the 400m. Improved onto heels after passing the 100m and went to the line without being fully tested. When asked to comment on the performance, jockey R. Wiggins advised that from the wide alley he had been instructed to settle in the second half of the field. He said he could have been in a more forward position however he would have been caught wide and restrained to the tail of the field. He also had been instructed not to shift too wide on the home turn as connections did not wish the horse to be positioned wide when being asked to improve into the race
