S. Comments:Raced wide in the early and middle stages but was able to cross and lead approaching the 1000m. When questioned in relation to the tactics adopted on the gelding, Jockey T. Marshall stated that he intended to settle midfield in today's event but after being trapped wide in the early stages and with his mount racing fierce, he elected to push forward and lead. He added that once he was able to obtain the lead his mount failed to settle and rather than continue to restrain his mount he elected to allow his mount to stride. S. Comments:Over-raced when the pace slackened during the early stages, became awkward at heels passing the 1600m, before shifting wider near the 1500m to improve to the position outside the leader passing the 1300m. Rider S Collett was asked to explain the horses' performance from the 1000m, she explained that when the pace quickened from the 800m her mount was left flatfooted and did not quicken until entering the home straight. Miss Collett further added that the gelding would have been more suited to a race with a more genuine tempo during the early stages.
