S. Comments: Passing the 500m was eased. Unable to improve when held up on heels from the entrance to the straight to the 300m. Questioned regarding performance, stated that her mount failed to travel strongly and rounding the home turn she elected to remain racing closer to the rail, as opposed to shifting wider on the track. Stated whilst her mount had a somewhat impeded run down the straight it was disappointing. Added that her mount has a poor second up record. Post race vet exam did not reveal any abnormality.

S. Comments: Rider questioned regarding the performance, said that the mare did not appreciate racing in restricted room for some distance in the middle stages. He further stated that he was held up on the heels of Straight Gold for some distance passing the 200m and then thereafter when changing course to the inside of that runner had to steady when Private Secretary shifted out. Added that in the circumstances given that the mare had a chequered passage he considered the run to be better than it appeared on face value. A post race veterinary examination did not reveal any abnormalities.

S. Comments: Rider stated gelding never travelled well after suffering interference coming to first turn and was under pressure. Rider added gelding did not respond to his riding in the straight and as a result he did not persist in riding it out to the line. Trainer informed stewards the gelding had worked well leading up to today's event and could not offer any excuse for the disappointing performance. Trainer undertook to report back to stewards should anything be amiss with the gelding. A post race veterinary examination of the gelding failed to reveal any significant abnormality.

S. Comments:Laid in under pressure in the straight. J. Byrne was questioned regarding his riding of the filly in the early stages. He stated that, in consultation with Mr Conners, the trainer, he was instructed to settle off the lead in an attempt to run out a strong 1200m. He added that the filly was inclined to overrace, even with the tongue tie, and when he applied pressure approaching the home turn, failed to respond to his riding.
