He added that the horse was under pressure from the 750m. He further added that following today's performance, the trainer had indicated that he would consider reapplying the blinkers for its next start.

Special, stated that, from her wide barrier, she had been instructed to go forward on the gelding and, after obtaining a position outside Kudero, her mount commenced to race keenly and would not come back underneath her. She added that, after entering the straight, Blackboard Special commenced to hang out when placed under pressure, which resulted in her having to stop riding on a number of occasions when her mount shifted significant ground. Mr Lawson was advised that Blackboard Special would be required to barrier trial.

S. Comments: Rider questioned regarding the performance, said that the mare did not appreciate racing in restricted room for some distance in the middle stages. He further stated that he was held up on the heels of Straight Gold for some distance passing the 200m and then thereafter when changing course to the inside of that runner had to steady when Private Secretary shifted out. Added that in the circumstances given that the mare had a chequered passage he considered the run to be better than it appeared on face value. A post race veterinary examination did not reveal any abnormalities.

S. Comments: Questioned re tactics - failing to push forward and settle one off outside RAINBOW MAGIC. Rider stated had won last 2 starts ridden towards rear of field. After beginning well considered pushing forward but was concerned with genuine speed in early stages. Elected to restrain to obtain cover but was unable to do so due to runners racing inside of him and was caught 3 wide without cover for the majority. Added that RAINBOW MAGIC never crossed to the fence so had he pushed forward he still would have been caught 3 wide.
