| S. Comments:Rider questioned re tactics upon entering home straight particularly as there was an opportunity to improve to the outside of ICE BUCKET - stated instructed not to expose gelding too early and to maintain cover for as long as possible as gelding only has a short sprint. Trainer confirmed instructions however after viewing video conceded it would have been a better option to come to outside at entrance to straight. Brooker pleaded guilty to a charge under AR137A(5)(a)(i)(ii) in that she used her whip on 17 occasions prior to the 100m, a number of which were in consecutive strides and 10 times inside the 100m. Apprentice Brooker was suspended from riding in races for a period of 7 days, to commence at midnight, 6 May and to expire at midnight, 13 May. Had to be steadied away from heels approaching the 600m. Jockey L. Cassidy reported that after having to restrain his mount from heels near the 1100m and being forced wider at the 600m, he was disappointed with its finishing effort in the home straight. | S. Comments:Steadied near 1100m. Raced wide with cover throughout. Rider questioned re performance - explained when ridden with cover in early stages it had a tendency to overrace and he attempted to improve passing 600m but was prevented from doing so by FELL SWOOP. Following this was disappointing in home straight and felt it was not entirely comfortable on today's track conditions. Vetted - no abs. |               |               |                                                                                                                            |

| S. Comments:Rider questioned re tactics adopted - stated filly began well and elected to steady as he did not wish to be placed in a speed battle with other runners. However, when UMBERTO crossed him at 1100m he had intended to sit outside that gelding but was prevented from doing so and was forced to race behind the leaders until the entrance to the straight. Added in his opinion filly is looking for a further distance than today's 1350m and did not quicken as he had expected. Vetted - no abnormalities. |                       |              |                                                     |

| S. Comments:Commenced to overrace near the 1100m, improved to the inside of FORGOTTEN YEARS and had to be checked and then raced ungenerously for some time after this incident. Had to be steadied away from heels approaching the 600m. Jockey L. Cassidy reported that after having to restrain his mount from heels near the 1100m and being forced wider at the 600m, he was disappointed with its finishing effort in the home straight. A post-race veterinary examination revealed no significant findings. A swab sample was taken. |                  |         |       |                                                                     |

| S. Comments:Raced wide throughout and near the 800m was eased out of the event. Jockey J. Lloyd reported that with the slow pace the mare travelled reasonably well, however he felt something was amiss with its action approaching the 800m and as a result he eased it out of the race. A post-race veterinary examination reveal the horse was suffering from cardiac arrhythmia. Connections were advised that the horse must undergo an ECG, and also must trial satisfactorily prior to its next race start. |               |         |     |                                                     |
