S. Comments:Began awkwardly and lost some ground. Rider questioned normal racing pattern. After passing 500m when pace quickened filly was	left flatfooted. In his	opinion when pace quicke	ened, racing between horses and not
having a lot of room and today's track conditions may have contributed to	the filly hitting a flat	spot and being unable to	quicken between the 500m and 300m
but finished well over final 200m. Explanation accepted.
