Wiggins restrained the horse out of the event and it failed to complete the course. Trainer S. Kendrick was advised that a veterinary clearance would be required and the horse must obtain a further barrier certificate prior to its next start.

Passing the 800m when the pace had been steady for the majority of the event its rider elected to shift three wide to improve into the race and took up the lead passing the 600m and then weakened over the final 150m. Rider explained due to slow tempo and easy sectionals HOLBROOK was allowed to dictate felt best chance was to go forward at that point. Further explained mare's run came to an end after passing the 200m. Stewards noted the explanation.

S. Comments:When asked to explain the riding tactics adopted, apprentice A. Thompson explained that his mount put in a number of awkward strides soon after the start and for this reason he rode aggressively and when it was apparent by the 1000m that he was a considerable distance in front of the main body of the field he attempted to restrain the mare but it did not respond to this and as a result overraced from that point until soon after straightening, from which point it weakened and got beaten a considerable distance. He was of the view that the mare may be looking for a spell.

S. Comments:Began awkwardly. Crowded for room shortly after the start, bumped the hind quarters of MASLOW and lost ground. Improved onto heels when racing in a rearward position passing the 1000m and had to be restrained. Failed to respond when placed under pressure after passing the 400m. Rider K. O' Hara reported that she desisted from pressuring her mount over the final 150m as she had concerns that something may be amiss with the gelding. A

post-race veterinary examination revealed no significant findings.
