| S. Comments:Fractious in the barriers and slow to begin. Improved onto heels near the 1100m, shifted wider and raced wide for the remainder. When questioned re performance, Rdr stated after racing wide throughout, mount failed to quicken when placed under pressure in the straight and proved disappointing. A post-race vet exam revealed no abs. |                         |                     |                                          |  |

Comments:When asked about performance, Rdr stated not intention to settle so far forward, however; after beginning well and lack of early speed shown by other runners, found mount in a more forward position-added on straightening, gelding was disappointing in its finishing efforts. Tnr advised if intention to spell gelding. |

Approaching the 600m, when racing greenly, got its head up when being steadied from heels. When asked about performance, Rdr reported gelding raced greenly throughout, which was detrimental to its finishing efforts. | S. Comments:Held-up & unable to improve between 500m & early part of home straight. When asked re tactics, Rdr stated given no specific instructions & after beginning well, with significant speed shown from outside runners, elected to restrain & take cover behind leader-said had some difficulty obtaining clear run round h/turn & early part of home straight-added, if had elected to hold lead position, it would have increased tempo being set at that stage of race & would have had a detrimental effect on mare's finishing efforts. Tnr confirmed whilst no specific instructs, wasnt expecting mare to lead race. |                       |             |      |                                         |
