S. Comments:When quest re tactics, Rdr explained instructed to ride mare cold, similar to last start-said was able to get mare to settle early, however; was mindful on a quick back up, not to be exposed to an extended run too far out-said after 600m, when positioned in a pocket at rear was unable to improve & elected to ride for luck on entering home straight-added mare has a tendency to lay in & when commencing run on straightening, became awkwardly placed at heels for a short distance before finishing off race positively. Tnr not disappointed with run given large weight & quick backup.
