| S. Comments:Improved onto heels approaching finishing line & unable to be fully tested. When asked re tactics, Rdr said instructs from wide barrier, to find cover & be mindful gelding can over race. Approaching h/turn after initially considering shifting wider, elected to steer near rail to save ground & then in run to finish, disappointed at heels. Stew considered explanation, noting Rdr's inexperience & not riding often at track, determined Rdr erred allowing gelding to settle back when opportunity to ensure gelding kept contact with field approaching h/turn, affording more options to improve into race. |                     |                                  |     |                                    |                   |

| S. Comments:Raced wide early before being permitted to stride and take up a leading position passing the 1400m. Rdr reported mount over raced during the middle stages and this had a detrimental effect of the performance. Rdr added gelding was making an abnormal respiratory noise on pulling up. A post-race vet exam revealed no abs. |                      |                      |                                                 |
