Mr Doughty advised that at Ballina last start it raced four-wide whilst also required to carry 60kg. Mr Doughty added that further in his opinion racing back at the Gold Coast where it had won on seven prior occasions, was the major contributing factor to the improved performance.

S. Comments:Slow to begin. When asked to comment on the performance of the filly, jockey J Stanley reported that the filly travelled well during the early and middle stages, however, was reluctant to race through the kickback from the 500m and as a result ran on only fairly in the home straight. A post-race veterinary examination revealed the filly to have been galloped on the offside foreleg and to be coughing, however no other abnormalities were detected.

Comments:Apprentice Y Lewis advised that the gelding travelled comfortably during the event, however when asked to quicken, raced one paced and in her opinion based on this would be better suited in races over a greater distance than that of today's event. A post-race veterinary examination failed to reveal any significant findings. Following the mares disappointing performance, Trainer S Morrissey would report back to stewards in the following days should something come to light regarding its disappointing performance.
