He stated that due to interference occurring forward of him near the 800m and because of the steady pace being set in the event, he shifted wider on the track rather than steady from heels. He added that he was wide as a result of this, however the horse travelled well into the home straight and was doing its best work over the concluding stages and he was pleased with the overall performance.

S. Comments: Began awkwardly and shifted out abruptly. Rider reported that the colt began awkwardly at its previous start resulting in it losing ground at the start. Rider added that it then overraced badly in the early and middle stages and as a result was forced to race 4 and 5 wide and despite this finished the race off well. Rider further added that despite beginning awkwardly today it was able to muster speed early and obtain the lead, which had always been the stable's intention.
