S. Comments:Overraced when attempting to secure cover in the early stages. Rider K. Masuda advised that from the wide alley he had been instructed to take up a position at the tail of the field with cover. He was able to fulfil these instructions and was asked to position the horse wider on the track to obtain an uninterrupted run to the finish. He added the filly responded well from passing the 400m and was doing its best work over the final 200m. He that it would be better suited to races over 1300m and 1400m.

S. Comments:When questioned as to the improved performance, Trainer B Guy stated that he had not been disappointed in the gelding's last start at Doomben where it set a fast early sectional which resulted in it weakening over the concluding stages. Mr Guy added that the gelding's best performances have been over today's distance of 1400m and due to the cancellation of recent meetings due to weather conditions had been unable to place the gelding in 1400m races. His explanation was noted.

S. Comments:Rider M. Cahill was questioned regarding his riding tactics in the early stages. He explained that he was instructed to settle the horse midfield with cover if possible, but from the wide barrier, after travelling a short distance, rather than be caught wide throughout, he elected to restrain to the rear of the field. Jockey Cahill added that BERGDORF worked to the line strongly and finished the race off well. He further added that in his view the filly will be suited over a longer distance and when able to take up a midfield position with cover.

Rider stated that after travelling well in the early and middle stages of the race the filly failed to respond to his riding from the 400m and proved disappointing. He added that he advised connections the horse may be better suited to ridden more conservatively in an endeavour to have finish its races off. A post race veterinary examination revealed an abrasion to the off hind pastern and a poor post-race recovery.

S. Comments:Eased when tightened for room near the 800m. When questioned G. Colless stated that his mount was slow to begin and he rode it along with vigour in the early stages. He added that approaching the home turn he was unable to improve when held up however upon obtaining clear running at the entrance to the straight his mount failed to respond. M. Dunn stated it was the filly's first start for his stable and he had expected it would be very competitive. He advised he would add blinkers and remove the t/tie before stepping up in distance. Vet exam revealed a poor recovery rate.

S. Comments:Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

S. Comments: Slow to begin and despite the efforts of its rider trailed the field for the majority of the race. A post-race veterinary examination failed to reveal any apparent abnormalities at the time of examination. Questioned re: disappointing performance - trainer noted gelding is better suited over further distances but was still disappointed as gelding had pleased him in a trial leading into the race. Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. Warning placed on uncompetitive performance.

S. Comments: Questioned re: tactics - Not pre race intention to lead however after beginning well and with addition of blinkers mustered speed early which resulted in it leading. Added that 2 starts ago had been fractious behind barriers and soft conditions of previous start had resulted in it racing further back than anticipated.
