Questioned re performance - jockey stated suffered minor interference near 1000m and dropped the bit and had to constantly urge along in middle stages to maintain midfield position. Then inclined to lay out rounding the home turn and down the straight and weakened on its run to the line. Felt filly failed to run out the 1400m journey.

S. Comments: Raced wide for the majority of the race. When asked to comment on the performance, apprentice J. Orman indicated he had been instructed to attempt to take up a trailing position behind the leaders, however from the wide alley and the horse having its first start in blinkers, he unable to do so and was caught wide. He added that his mount raced greenly and despite this finished the race off well and was doing its best work over the concluding stages.

She said that when AUDREE improved to her outside she was content to let that horse cross her, which would have afforded her cover. She said when she elected to do this she then became aware that SKYLAR'S STAR, which was racing 3 wide, improved forward, and having elected to allow AUDREE to cross, she was then placed further back than she wished when AUDREE allowed SKYLAR'S STAR to cross to the lead.

A post-race veterinary examination revealed no abnormalities. Trainer subsequently reported that mare had sustained swelling to its near side eye. Mr Crane was of the view that this had contributed to its disappointing performance.
