He indicated that the horse, after failing to respond to his riding in the early stages of the home straight, became awkward in its action and for this reason he did not ride the horse out over the final 200m. He added that in his opinion the horse did not handle the rain-affected conditions. A post-race veterinary examination revealed the filly to have a slow post-race recovery.

He added that he did expect the gelding to position closer in the run, however after failing to do so and then failing to run on at the finish was of the opinion that the gelding may not have handled today's racing surface.

Questioned as to improved performance, Trainer L Kelly stated the filly was down in class from last start at Ipswich on 16 June 2018. Mr Kelly was pleased with the filly's performance on that date noting it was only beaten 5.8 lengths after starting from a wide barrier. Mr Kelly was pleased with the filly's previous start and noted its only disappointing performance this campaign, in his opinion, was when first up from a spell at the Gold Coast on 9 May 2018 on a heavy track. His explanation was noted.
