S. Comments:Bumped after start. Held up for clear run on entering home straight. Approaching 300m, shifted in to secure clear run & again held up for a short distance passing 200m before again shifting into clear running. When questioned re riding in home straight, Rdr stated when a run appeared between runners, was concerned run would close, elected to shift in, in an attempt to obtain clear running, again after shifting across heels became awkwardly placed before being able to obtain clear run shortly thereafter. Rdr told should attempted to test run between runners before shifting in on straightening.

S. Comments:When asked about performance, Rdr reported filly travelled comfortably, however when asked to quicken after passing the 400m, did not finish the race off as anticipated. A post-race vet exam revealed a poor recovery & mild heat stress. Tnr stated horse had missed a start due to a washed out meeting a fortnight ago, had not started for five weeks & this may have had an affect on the horse's finishing effort-indicated the horse may appreciate racing on more rain affected surfaces and would now be spelled.
