| S. Comments:Questioned re riding - App stated instructed to ride out of barriers as had previously been slow to begin. Again slow to begin today and obliged to settle at rear of field. Passing 800m commenced to race ungenerously and hung out and when being steadied lost ground. Then taken wider rounding home turnand once balanced upon straightening finished the race off well. Stewards advised App she had erred in failing to improve into the race leaving the 800 on the back of other runners which had commenced to improve their position. | | | | | |

Brooker advised that after beginning well she attempted to obtain a forward position, however was unable to show sufficient speed to do so, which resulted in her being caught wide. She added that when placed under pressure to improve into the race the gelding failed to respond to her riding and proved disappointing.

| S. Comments:Near 600 metres, lay in marginally and lay out near the 300 metres. Regarding performance, rider was of the opinion the gelding may need to obtain the lead without any pressure and was not able to do so on this occasion. He further stated the gelding had travelled well, however when placed under pressure from the 400 metres had not responded and proved disappointing. Jockey Coome was of the opinion horse may have got its tongue back and recommended a tongue control bit. | | | |
