S. Comments:Stewards questioned apprentice in regard to his ride. Apprentice explained he had been instructed to ride gelding in a forward position. He said after beginning well he rode his mount along in an attempt to comply with his instructions. Added that in the middle stages he was able to work forward of the other runner however was unable to cross when he received calls appealing for racing room. Apprentice concurred with stewards that he should have made a greater effort to cross the runner to his inside which would have enabled him to dictate terms in front and not cover excessive ground.

S. Comments:Jockey replace injured apprentice. When questioned as to the disappointing performance, jockey stated that the gelding travelled well with

cover in the early stages but when placed under pressure leaving the 500 metres responded only fairly to his riding and proved disappointing. A post - race veterinary examination revealed the gelding to be lame in the off hind. Trainer was advised that the gelding will require a veterinary certificate of clearance before being permitted to start again.

S. Comments: On return to scale a protest was lodged by rider of second place getter, against the gelding being declared the winner, alleging interference in the home straight. After taking evidence from the parties concerned and viewing the stewards patrol video, it was established that leaving the 100 metres the gelding shifted out towards the other runner however did not impede on that horses running therefore the protest was subsequently dismissed and correct weight was declared on the numbers as semaphored.

 S. Comments: Questioned re performance - rider stated gelding raced ungenerously when forced to race inside other horses and was second up today and felt it may have felt the effects of its first up performance. Rider also felt horse is better suited with blinkers. Trainer agreed with comments of rider and advised that blinkers had been removed as gelding was slow to begin at its last start. He would experiment with addition of blinkers again. Vet exam - no apparent abnormalities.
