S. Comments:Overraced in the early and middle stages. When afforded an opportunity to comment on the seemingly improved performance, trainer K. Hickmott stated that the gelding performs best when able to lead, as was the case today where it began well and found the lead without being pressured. He added that the gelding appreciated the step up to the 1400m of today's event. Stewards noted his comments.

S. Comments: B. Stower explained that the intention was to lead in accordance with its usual pattern. She said from the wide draw she strode forward and became concerned when TRIPLE JEOPARDY, which was racing to her inside, was overtaking slightly, and it would not settle, allowing her to cross. She added she had to make more use of her horse to cross that runner near the 800m. Miss Stower stated in hindsight it would have been preferable not to have made as much use of LANDALE but with the specific instructions she felt she had little alternative but to ride it in the manner she did.

S. Comments:Eased when tightened for room near the 800m. When questioned G. Colless stated that his mount was slow to begin and he rode it along with vigour in the early stages. He added that approaching the home turn he was unable to improve when held up however upon obtaining clear running at the entrance to the straight his mount failed to respond. M. Dunn stated it was the filly's first start for his stable and he had expected it would be very competitive. He advised he would add blinkers and remove the t/tie before stepping up in distance. Vet exam revealed a poor recovery rate.

S. Comments:Rider questioned re performance reported his intention was to settle in the second half of the field behind SUPERFAST SAKI however, COURT'S STAR improved to his inside in the early stages which forced him to settle further back in the field than anticipated. Rider added that he was able to shift wider in an effort to improve passing the 600m however, the filly was only travelling fairly and failed to finish the race off as expected. Rider and stable expressed disappointment but unable to offer any explanation. Vetted - no abnormalities and swab sample taken.

S. Comments:Rider questioned re tactics - initially slow to begin then slow to muster speed and forced to race further back than anticipated. Horse inclined to lay out in early stages and failed to handle specific nature of track. Near 500m steadied from heels of horse weaking in front and lost ground. Unable to apply full pressure as it failed to negotiate home turn however when balanced up upon straightening found the line well. Trainer agreed with rider's comments and noted that horse had raced in a similar manner at its previous start and would be better suited on a bigger track over further ground.

S. Comments: Raced wide for the majority of the race. When asked to comment on the performance, apprentice J. Orman indicated he had been instructed to attempt to take up a trailing position behind the leaders, however from the wide alley and the horse having its first start in blinkers, he unable to do so and was caught wide. He added that his mount raced greenly and despite this finished the race off well and was doing its best work over the concluding stages.

He then felt that when the favourite improved to the outside he would be better served holding the position to the inside. P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily. He added that the mare travelled comfortably in the middle stages, however when placed under pressure proved disappointing. Trainer expressed some disappointment in the performance, but did advise that given the work the horse was forced to do in the early stages and that it was 5 weeks between runs, it would derive a fitness advantage from today's run and he will continue with its preparation. Vetted post-race, no abnormalities. | | | | | | |
