Official trial prior to accepting for a future race. When quest re ride in home straight, Rdr reported gelding had a tendency to lay in, in its previous starts, so carried whip in right hand but after mount commenced to shift out, changed whip hand inside the final 100m, improving gelding's tractability over concluding stages. A post-race vet exam revealed a poor recovery.

S. Comments: Slow to begin. Laid in upon entering the home straight and continued to lay in under pressure down the running, obliging rdr to correct mount and subsequently went to the line unable to be fully tested. Rdr reported when mount was slow away, was mindful of instructions not to pressure mare early to improve and allow it to travel comfortably-said elected not to make run wide and near the 600m, momentarily eased to take an inside run-added gelding laid in under pressure in the home straight, which had an effect on the finishing position.

S. Comments: Held up for a run approaching the 200m & passing the 100m, shifted out & went to the end of race without being tested. When questioned as to whether there was an opportunity to steady & come back to outside passing the 200m, Rdr stated had committed to the run to inside run & to take hold and shift out across heels, would have required checking mare. When asked as to whether could have ridden the gelding with any vigour passing the 75m when there was clear running, Rdr said gelding had lost all momentum after being held up & believed race was over at that point. Fined for not riding horse out.
