S. Comments:Questioned re performance, rider stated that his mount enjoyed a comfortable run behind the leaders in the early and middle stages however was under pressure to maintain its position from the 600m and weakened in its run to the line. Trainer M. Wilson stated that the filly had worked well leading into the event and he was confident of its chances. He stated that although the filly has given every indication that it wants ground, it was its first attempt at the 1600m journey today and it may not have run out the distance. Post race vet exam did not reveal any abnormality.

S. Comments: Steadied from heels leaving the 900m. Blundered at the 600m. Rider reported that the race was not run to suit in that during the middle stages the pace steadied and he was obliged to steady from heels. He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.

S. Comments: The start was delayed when the horse became fractious in the barriers, hitting its head on the front gates. The horse underwent a veterinary examination and was cleared to take its place in the field. Then found to have blood in its near-side nostril post race, which was attributed to the contact in the barriers. Stewards took no action against the horse. When attempting to be steaded approaching the 800m, the gelding overraced until leaving the 700m.

S. Comments:Blundered and lost ground shortly after the start.Stewards sought an explanation from rider R. Johnston-Bell with regards to the below market performance of AUGUST BISHOP. He stated that after losing ground at the start his mount raced keenly throughout & was forced to race wide throughout. He added that his mount ran on fairly & was not totally disappointing bearing in mind the circumstances shortly after the start. Trainer K. Kemp reported subsequent to the event that AUGUST BISHOP had pulled up well after the race & that nothing abnormal had been detected that would explain the performance.

S. Comments: saddle shifted back after the start, placing its rider, in some difficulty. Around the home turn and into the straight the saddle shifted back further and down the off-side of the horse, causing the rider to lose balance and eventually falling off her mount at the 200 metre mark. Jockey Ms B Derbyshire was attended to by Ambulance officers, who advised stewards that in their opinion she should not continue to ride. On this advice stewards stood down jockey Ms B Derbyshire for the remainder of the day. She was advised that a medical certificate is required prior to riding again.
