S. Comments:Rider reported at scale that he lost the use of his iron coming out of the gates, which placed him at a disadvantage for a short distance after the start. When questioned regarding the improved performance, trainer reported that he was expecting a forward showing at the mare's previous start at Kilcoy, however she bucked and took no competitive part in the event. He also noted that she has good wet track form.

S. Comments:When asked to explain the seemingly improved performance, trainer P. Duncan indicated that at the horse's most recent start, in his view, the gelding was ridden quite poorly and when overracing was settled wide on the track. He felt that this had a significant effect on the performance. Mr Duncan added that at the start prior to this the horse did not appreciate the firm racing surface at Dalby on 9 August and he felt that this may explain the improvement on the horse. He was also of the view that the addition of blinkers today was beneficial.
