| S. Comments:When question regarding the performance, Jockey J Stanley stated that the horse may have come to the end of its preparation. Given that it was back to 1400 metres today and the quick pace of the race it was placed at the rear of the field and from the 200 metres had felt the weight impost. He added that the horse now may be sent for a spell. |                   |          |       |                                       |
