S. Comments:Began awkwardly. Raced keenly in the early and middle stages. Laid out under pressure in the home straight. When questioned on the improved performance, trainer advised that the stable had expected a forward showing at its previous start, however the gelding had endured a wide run on that occasion. Trainer further added in his opinion, that the gelding would benefit from racing over further distances, and that the stable had expected the gelding to perform well in the aforementioned event. S. Comments:Carried to a 4 wide position without cover approaching the 1000m. When questioned Rdr stated asked to have gelding settle midfield, which was able to do, however; approaching the 1000m was carried wider-said attempted to come back to find cover, however; as other horses improved to inside, was obliged to settle at the rear-added despite riding, failed to respond until approaching home turn where again. obliged to race wide to improve & with gelding only having a short sprint, responded moderately in the straight. A post-race vet exam revealed no abs.

S. Comments:Raced wide until the 800m. When asked about performance, Rdr stated gelding had a tendency to lay in when racing wide in the early and middle stages and may not have appreciated track conditions. A post-race vet exam revealed a slow recovery.
