S. Comments: Questioned re performance - rider intention to settle towards rear. Tried to position mare off the fence in early stages in better going but was unable to do so due to another runner being position to her outside. Failed to improve into the race from the 600m and was most disappointing. Trainer stated mare had trialled 3 times leading into race, which in his opinion were only fair. Had been hopeful of a good performance based on form but not overly confident based on work and trials. Provided mare pulled up well would look to step it up in distance. Post race vet - no abnormalities.

Duff indicated that the horse was taken wider near the 1000m and raced very wide from that point onwards and this caused the horse to have an extremely hard race and as it was its first start back from a spell did not finish the race off well.

S. Comments: Stewards asked rider P. Hamilton to comment on the performance of the horse. He stated he did not want to pressure the horse in the early stages because at its most recent jumpout the horse had a tendency to overrace up on to heels in the early stages and therefore he did not wish to be overly vigorous out of the barriers. Jockey P. Hamilton was reprimanded for using his whip more than 5 times prior to the 100m in a forearm manner.

The horse was unable to muster sufficient speed to cross runners to its inside and therefore had to be steaded leaving the 1200m and to secure a position closer to the fence took up a position at the tail of the field. Shifted wider at the 700m and made the home turn extremely wide.

From the 900m horse was inclined to lay in and despite his efforts would not respond. He added that despite his efforts the gelding failed to respond to his riding in the straight and was most disappointing. Trainer indicated horse had previously performed poorly at Doomben and may be better suited on bigger tracks. Post race vet - no abnormalities.

He said instructions were to ride forward, however despite the gelding beginning awkwardly and making heavy contact with horses to its outside, he attempted to ride forward, however was unable to muster sufficient speed and after travelling a short distance shifted closer to the fence near the rear of the field. He said when approaching the home turn the gelding overreached and he was obliged to steady from heels near the 600m and again near the 500m. He said the gelding obtained clear running in the straight and finished the race off well.
