S. Comments: Slow to begin. Questioned re tactics rider stated that from his wide barrier and with the colt wearing blinkers again today, his instructions were to be in a forward position. He said that, after being slow to begin, he rode along, where the colt commenced to overrace in the early and middle stages and consequently he was obliged to allow the horse to strike forward and lead. Trainer agreed that the colt overraced in blinkers and indicated he would consider removing this gear and adding winkers. Vet exam revealed showing signs of respiratory distress and had abraded near hind bumper.

Trainer advised he would have his veterinary surgeon examine the horse. Trainer subsequently reported that the mare was vetted and scoped upon return to his stables with no abnormalities detected.

awkward stride near the 250m and felt something may have been amiss and on that basis did not ride the horse to the line. A post race veterinary

examination of the gelding failed to reveal any abnormalities.

S. Comments: B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

S. Comments: M. Hellyer was questioned re tactics. He indicated that after passing the 1300m he did not wish to trail THAT'S MAGIC, which had improved to his outside, and elected to ride forward. He said following this the horse overraced significantly despite his efforts and it had not been his intention to lead by such a significant margin. Stewards advised M. Hellyer he had erred in failing to steady at that point and allow THAT'S MAGIC to cross, which would have afforded his mount the opportunity to settle. However stewards were satisfied that the manners of his mount had a bearing and took no action

manners he had started it at its first start from a spell wearing earmuffs and with hindsight was of the opinion that the earmuffs caused the gelding to switch off as it was unable to muster early speed and was disappointing. He indicated that on the horse's previous trial form and work leading into today's race he expected improvement.
