Watters advised stewards that when ONE IN ONE OUT reared at the start and lost round and met with interference near the 900m, the horse was not suited as it races best when racing in a forward position. A post-race veterinary examination revealed no significant findings.

S. Comments:Hung out from the 500m until entering the home straight, and whilst hanging out was forced wider on the track by another runner. When questioned as to the horse's performance, apprentice S. Eilbeck reported that the gelding never felt comfortable in its action throughout the event and when asked to improve into the race from the 600m commenced to hang out and shifted wider on the track. Apprentice Eilbeck added that over the concluding stages the gelding changed stride and dipped and for that reason she did not continue to pressure the horse. Vetted, no significant findings.

He indicated that in all the circumstances he was satisfied with the horse's performance as the horse was doing its best work over the concluding stages and finished the race off well. He advised that connections intend stepping the horse up over more distance. Lost the near fore plate in running.

S. Comments:When questioned regarding the tactics adopted, Jockey J Morris stated that he had been instructed to ride the gelding positively out of the barriers in an attempt to obtain a forward position. Jockey Morris added that these instructions were issued on the basis that the gelding had performed well when ridden in that fashion at its Victorian starts. Trainer J Walk confirmed the instructions and noted that the gelding was up in distance today. Mr Walk was reminded of his obligations to advise stewards of any intended change of tactics.
