S. Comments:After being slightly slow to begin, the gelding was then further hampered when tightened for room. When questioned by Stewards in relation to the seemingly improved performance, Trainer P. Kings advised that jockey J. Byrne had reported following the horse's last start that it was reluctant to stretch out on the firm track on that occasion. He added that, for this reason, he elected to return the horse to racing at Toowoomba which, in his opinion, is a track which has more natural give, and where the horse has previously been successful on a number of occasions.

He further added that Mr Keal instructed him not to overly restrain the gelding and therefore he was reluctant to restrain to the rear of the field to find a position closer to the rail as he was of the opinion the gelding settled well, albeit 3 wide wit

Trainer questioned re improved performance - explained that first start had a tendency to overrace and was slightly inconveniently rounding home turn and weakened late over the concluding stages. Added following that race of the opinion would improve with that run however, elected to trial prior to racing and in that trial changed the bit and added a tongue tie in an attempt to have the gelding settle better in its races.

Further added subsequently trialled well in that gear and was ridden in a similar manner, which including added fitness contributed to improved performance.

Bayliss stated that the horse travelled comfortably in the early stages of the race, however, when challenged for the lead from the 600m commenced to weaken and did not respond to his riding at any stage over the concluding stages. Jockey Bayliss could not offer any explanation for the performance, which in his opinion was quite disappointing. Trainer S. O'Dea advised that he would discuss the horse's immediate racing future with the owners and undertook to notify stewards should anything come to light in ensuing days which may have had an effect on the horse's performance. S. Comments:Jockey B. Pengelly, rider of I DREAM OF GREEN, was found guilty of a charge of careless riding under AR131(a) in that he allowed his mount to shift in at a point approaching the 800m when not sufficiently clear of PINNACLE STAR, causing that horse to be checked by its rider and lose its rightful position at this stage and lose ground. After hearing submissions from B. Pengelly stewards issued a severe reprimand after taking into account his good record under this rule over a significant period of time. A post race veterinary examination failed to reveal any significant abnormalities.
