When asked about tactics, Rdr explained after receiving interference early, settled further back than anticipated and did not have any luck throughout the race. When asked about riding near 200m, Rdr stated when another runner had improved quickly in front, was obliged to shift to the inside in an attempt to obtain clear running.

S. Comments: Had difficulty obtaining clear run between 300m & 150m. When asked re tactics, Rdr explained after being caught wide early, was reluctant to shift out approaching h/turn as not travelling strongly enough to come wider, adding gelding is better ridden with cover. Said gelding has a tendency to lay in which would have made it difficult to come wider in early stages of home straight. Rdr told had erred in not coming to the outside of the heels at the entrance to home straight rather than the decision to shift back to the inside of that runner round home turn

When questioned re tactics, in particular the decision not to pursue a run near the 500m, Rdr stated approaching 900m, elected to shift from the rail to a one-off position when the pace of the race was only moderate-added near 500m, when racing between runners, was obliged to race in restricted room & mount did not appreciate racing in this & therefore was unable to maintain position between these runners.

When guest re riding in h/straight, particularly whether there was an opportunity to improve to inside near 300m, Rdr said had looked to improve into this run, however; filly was laying out, as it had done from 800m & when another runner shifted out, this run closed & then allowed horse to continue to shift out looking for clear run. It was accepted filly was hanging, however, Rdr advised could have ridden with more vigor at that point in order to secure position. When quest re riding in h/straight, particularly whether there was an opportunity to improve to inside near 300m, Rdr said had looked to improve into this run, however; filly was laying out, as it had done from 800m & when another runner shifted out, this run closed & then allowed horse to continue to shift out looking for clear run. It was accepted filly was hanging, however, Rdr advised could have ridden with more vigor at that point in order to secure position. Disappointed for run near 200m & steadied.
