When placed under pressure failed to respond as expected and only found the line fairly. Stable rep stated gelding performs best when able to settle in a more forward position. Therefore they would step it up in distance in the hope that it could then settle closer to the speed. Post race vet failed to reveal any abnormalities.

S. Comments:Inquiry re poor performance. Rider L. Attard advised that the horse never travelled strongly throughout the event and when placed under pressure failed to respond to his riding and proved disappointing. Vetted with no abnormalities reported. Trainer S. Saal-Winter advised that following the poor performance today it was her intention to spell the horse.
