5. Comments: When questioned regarding the horse's performance, apprentice B. Derbyshire stated that as she was going to be trapped three wide shortly after the start and unable to clear runners to her inside, she elected to ease and race behind those horses, however after shifting wider in the straight and asking the gelding to improve, the horse failed to let down as expected and in her opinion was disappointing. Trainer B. Andrew stated that he felt the gap between runs and today's heavy track may have had a bearing on the horse's overall performance. Stewards noted the explanations.

S. Comments:Rider advised that after being caught wide in the early stages, he was forced to pressure his mount more than he wanted to obtain its customary forward position. He added that the mare travelled comfortably in the middle stages, however when placed under pressure proved disappointing. Trainer expressed some disappointment in the performance, but did advise that given the work the horse was forced to do in the early stages and that it was 5 weeks between runs, it would derive a fitness advantage from today's run and he will continue with its preparation. Vetted post-race, no abnormalities.

Of particular concern to Ms Paton was jockey Geran's apparent failure to follow her instructions, which were to lead if possible or at the very least race in a forward position. After taking evidence from jockey Geran in relation to his riding, stewards adjourned the matter to a time and date to be fixed to enable stewards to obtain betting information on the event.
