S. Comments:When questioned regarding his riding Apprentice explained that his instructions were not to place undue pressure on his mount in the early stages. He said that after beginning reasonably, when runners to his inside showed superior speed he elected to take up a rearward position closer to the running rail. He added that from the 600 metres his mount was inclined to lay in, and near the 200 metres continued to do so, shifted in despite his efforts and became awkwardly placed on the heels of another runner.

S. Comments: Stewards questioned apprentice regarding her riding from the 500 metres where the eventual winner was able to improve to her inside. Apprentice stated that her mount was inclined to lay out rounding the tight turning track however concurred with stewards that she should have made a greater effort to remain racing one off the fence. Stewards were also mindful of apprentice's relative inexperience.
