S. Comments:Slow to jump. Apprentice Ms H English was questioned as to the tactics adopted. Ms English stated that after being slow away the mare got back a lot further than she would have liked. Given that this was the mare's first start in a clockwise direction, the mare was having some difficulty getting around the corners and therefore was reluctant to push her along until after the 600m. When she did apply pressure the mare then became unbalanced rounding the final two turns and after straightening finished the race off well. Connections questioned....re report.		In Running: /1/2
