After doing this he endeavoured to steady the tempo however his saddle shifted forward and as he was reluctant to fight the gelling he felt obliged to let it run along at a moderate tempo in front.

Payne stated she raced in restricted room rounding the home turn and when a run became available near the 200m, her mount shifted out when attempting a run resulting in her having to straighten her mount before placing it under pressure. She added that while the gelding made up ground in the straight, it did race flat and failed to show its customary sprint at the finish.
